EXPERIENCE

RIVER GUIDE / WEB DEVELOPER • SALMON RIVER ADVENTUE COMPANY • 2022 - PRESENT

My responsibilities as a river guide were to safely take clients down class I-III sections of river in rafts and kayaks. I made sure our guests felt welcome, safe, and excited to go down the river. In addition, I helped as a kayak instructor for youth kayak camps.

As a web developer, I am responsible for updating/optimizing our website through WordPress and doing research to help us understand how to increase our conversion rate and get more clients.

WEB SPECIALIST • BYU BALLARD SOCIAL IMPACT CENTER • 2022-PRESENT

Responsible for maintaining the ballardbrief.byu.edu website. Led a redesign, focusing on UI and UX to create a strong brand and exceptional user experience. Also responsible for managing Google analytics for all the organization's websites.

RECREATION GUIDE • EAST ZION ADVENTURES • SUMMER 2021

I guided guests on hikes, drove shuttles, facilitated outdoor activities, and ensured everyone had the best experience possible.

EDUCATION

MADISON HIGH SCHOOL • 2018

Graduated with a 4.0 GPA, part of the National Speech and Debate Association and the National Honor Society

BRIGHAM YOUNG UNIVERSITY • 2021-PRESENT

Majoring in Information Technology and minoring in Computer Science. 4.0 GPA

VOLUNTEER EXPERIENCE OR LEADERSHIP

I spent two years from 2018-2020 in New York City as a missionary for my church. During this time my purpose was to help people improve their lives. I had experience interacting with people from every walk of life and every continent.
